

# ENVRI collaboration and documentation space Home

Welcome to collaboration  
and documentation space  
of the **ENVRI community**

## Welcome to collaboration and documentation space of the ENVRI community platform

Become a **member of ENVRI community** and you can actively contribute to content of this platform, comment or engage in discussion.

Click on the navigation links to the left to select a specific theme of your interest, or search using the search box above. For explanation of routes into the wiki, read **WikiEntryPoints** orientation guide.

This space is under active development and much more documentation will appear here in future.

### Recent space activity

Ariane Dubost

- [Multidisciplinary Access](#) updated 2019 Jun 13 • [view change](#)
